A Program of

United Way of Asheville and Buncombe County

Bonding Blankets (Mission Hospital's Neonatal Intensive Care Unit)

Help make "lovies" for premature babies. A lovie is a tiny blanket that a new mother sleeps with for several nights so it acquires her scent. The lovie is then placed in the incubator so that the baby can start bonding with the mother while in the hospital. Sewing skills are not required.

Cookie Night (The Rathbun Center)

Help bake homemade cookies for families who are staying at The Rathbun Center which provides free lodging for families from out of town who have a loved one in an area hospital.

Fair-Trade Stock-Up (Ten Thousand Villages)

Ten Thousand Villages is a fair-trade retail store that sells handcrafted items made by artisans in more than 30 developing countries. Volunteers will assist with unpacking and pricing the merchandise to be displayed and sold.

In the Garden (Children First/CIS Family Resource Center at Emma)

Volunteers will be preparing the Emma Community Garden for fertilization, planting, and harvest! Much of the harvest will eventually be distributed to the community through their food pantry.

Kids Care (Hands On Asheville-Buncombe)

This is a project where kids are the volunteers! Each month's project will involve an age-appropriate learning component and a hands-on activity. ***Adult volunteers not needed unless bringing youth participants.

4-6 year olds In July, parents and children will be preparing the Emma Community Garden for fertilization, planting, and harvest! Much of the harvest will eventually be distributed to the community through their food pantry.

7-12 year olds Project will resume in August

Knit-n-Give (Buncombe County Health Center)

Help make hats to be given to newborns served by the Health Center's Community Health Program. These hand-knitted hats are treasured by the client families and help provide incentive to keep important appointments with Community Health Nurses. All skill levels welcome.

MANNA Packs for Kids (MANNA Food Bank)

The MANNA Packs for Kids Program gives students from low-income families food to take home over the weekend. School counselors identify the students in need and discreetly place the bags of food into their backpacks. Volunteers participate by packing food items into backpack-sized parcels that are distributed to local schools.

Meals for Hope (YWCA)

New Choices is an empowerment program for displaced homemakers in need of counseling and assistance in order to achieve economic self-sufficiency. Volunteers cook & serve a meal for women and children attending its meetings.

Shake and Bake (ABCCM Veteran's Restoration Quarters & Inn)

Cook and serve a homemade lunch at ABCCM's men's program. Take an afternoon to give back to these men who have served our country and are now in need of assistance. Both men and women are encouraged to participate.
